His sire has a strong show record and is one of the stock bulls in the Edellyn herd at present. This combination of Mercury-Royal Leader breeding has consistently produced superior individuals. TUSCAWILLA LAVENDER 3d.—An attractive roan heifer of the "breedy" sort. The kind that makes a real brood cow that can raise her calves without help. By sale time she should be safely settled with calf to the great bull Edellyn Reserve Mercury, which Mr. Wilson came very near withdrawing from the 1946 Edellyn Farm sale to use in his own herd. The calf will carry a double cross of the Perth Supreme Champion Calrossie Mercury through two of his best sons.

Memorandum—

SHORTHORN STEERS made a clean sweep of the **GRAND AND RESERVE GRAND CHAMPIONSHIPS** over 1,425 head of all breeds at the 1946 Chicago International Livestock Show. They went on to win the champion three-steer and get-of-sire groups over all breeds for the first time in the 47-year history of the International, when one breed monopolized single and group championships. The Grand Champion later sold at a new all-time record for the Chicago International of \$10.50 a lb. to total \$14,490 to the Firestone Tire and Rubber Co., Akron, Ohio. He immediately began a 22,000 mile educational tour of the country in a \$12,000 specially constructed trailer. Watch for notice of these exhibitions in your territory. (The Shorthorn steer,

Tomahawk, was Grand Champion of the 1945 Chicago Fat Stock Show and set the then International record of \$10 a lb.)

Shown above (left) is the Grand Champion, **ROYAL JUPITER**; (right) the Reserve Grand Champion, **WYOMING CHALLENGER STANDARD**; and (below), the winning three-steer group including the reserve grand champion.

These steers demonstrate the well-established Shorthorn profit characteristics combining greater weight with modern type and choice quality conformation. The Grand Champion steer weighed 1,380 lbs. at 22 months of age. *Extra pounds produce extra profits. REMEMBER—Shorthorns, Best in Every WEIGH!*

The all-time high of 2,096 members joining the American Shorthorn Breeders' Association in 1946, followed by the all-time 5-year record for any beef breed of 8,962, now puts the Shorthorn Breeders' Association in the lead as the fastest growing beef breed association. In 10 years, annual registrations have

doubled and transfers have jumped 144 percent. Save 50% in recording and transfer fees by joining America's most popular beef-milk breed association. For complete information write to American Shorthorn Breeders Association, Dept. SC-2, Union Stock Yards, Chicago 9, Ill.
